30th June 2006

Dear Vice Presidents & Sponsors,

BCC 2006 Yearbook

Bradninch Cricket is flourishing and it's a pleasure to have the opportunity to write to you during a year when we have a lot to be proud of.

Progress on the field is summarised in the Yearbook Foreword and we are well set for further honours and increasing prestige, with a talented nucleus of young players destined to take Bradninch to the top flight of Devon Cricket in all forms of the game.

The provision of a new net facility last July and the continuing selfless efforts of our Senior Coach, Mark Stanbury, tirelessly promoting and introducing the game to young people of all ages, underpins a development culture that is wholly supported by a loyal and committed senior membership.

Last year's Vice Presidents & Sponsors letter mentioned how impressed the Town Council were during their annual inspection and it is no surprise to be able to record a similarly glowing report when they visited last Wednesday.

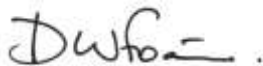

Having taken responsibility for the Pavilion in April 2004, the early refurbishment activities were aimed at essential repairs and redecoration, while we were juggling finances and establishing budgetary control.

With a strong committee structure in place, we were able to finance a clubroom makeover last Autumn ahead of hosting a wonderfully successful Dinner & Dance. Please take a moment to review the report published after the event on the BCC website at www.bradninchcc.org.uk/news/2005/oct/01_dinner.htm.

This year's Dinner & Dance will be held at the BCC Pavilion on the 14th October 2006 and you are warmly invited to attend. Please check the BCC website or club notice board for details, or contact the Secretary or myself for more information.

We do hope to see you before then and as a token of our appreciation for your valuable support, there will be a complementary glass of your favourite tippie waiting for you and your partner, when you are able to visit and enjoy some Cricket in the most picturesque, panoramic sporting landscape in Devon.

Yours faithfully,

Derrick Foan
BCC Chairman
